

EE357 pre-lab preparation

Lab session: Feb. 8th, 2013

Please follow the instructions below before you attend the session.

Instructions:

1. Read 'BRA' instruction on 4-20 of coldFireManual.pdf.
2. Finish LAB2.pdf if you haven't.

Note:

1. A Lab assignment will be given at the beginning of the session.
2. Bring your host machine and the Coldfire board – at least one pair per team.
3. Must be present (both team members) during the session to get full credit allotted.
